About the Park

Golden Sands Holiday Park is an owners-only park, offering families and retired couples the opportunity to enjoy life to the full in their own holiday home by the sea. This long established family-run park is just across the road from Borth's beautiful sandy beach.

Once you have chosen your holiday home you should be able to move in within a week or two and immediately start enjoying the benefits of holiday home ownership.

Turn right out of the park and you are just 1 mile from the sand dunes and the famous Ynyslas nature reserve, turn left out of the park and a leisurely stroll along the promenade will take you to the centre of Borth

Our holiday park opens in early March and remains open right through until the end of October, during which time you can come and go as you please. Subletting is not allowed, but other family members may use your holiday home when you are not able to.

Golden Sands Holiday Park is located just at the edge of Borth village which is less than 2 hours drive from Hereford and Leominster and 2½ hours from the Midlands.

This makes it ideal for a weekend retreat, as well as a base to explore the many delights of the Mid-Wales countryside.

There is no age limit regarding how long you can keep your holiday home on the park, as long as it is in good condition. We leave the timing of when you choose to upgrade your holiday home to you.

If you like what you've seen so far and would like to know more, please give us a call and we will be delighted to discuss holiday home ownership with you.
